### FIELD TRIP GROUP INFORMATION

**Two Business Days Before Field Trip**, contact us with the final number of ALL persons who will come, including teachers, children, parents and siblings.

**Arrival Time** at the Farm is based on your departure from school and the travel distance. Timely departure per the Reservation Form ensures everyone can experience all the centers without being rushed. Call us immediately if you are delayed.

**Print Directions for Bus Drivers from Our Website.** Map finding systems are not reliable for the shortest and most direct routes to the Farm.

**What to Wear** – Dress for the weather. All farm activities are outdoors. Bring jackets. Wear closed-toed shoes.

**Paying for the Field Trip** –Please collect all money from children, parents and siblings prior to your visit to the farm. You can pay with a school check, cash or a combination of both. You will get a receipt. We do not require advance payments, but reservations are required.

**Bring Sack Lunches** – leave them on the bus upon arrival. Following the Field Trip, you are welcome to eat lunch at the picnic tables. Trash bags are provided for each group to carry the trash to their school dumpster.

**Bring Cameras!** Take pictures after the Field Trip during Playtime at the Hay Jump, Dress the Farmers, and Tether Ball.

**Field Trip Mementos** - mini pumpkins are given to children for Fall Harvest Field Trips and other appropriate remembrances during Christmas and Spring Field Trips.

**Drinking Water** – we provide a cooler for refilling empty bottles. Bottled water is for sale too.

**Facilities** – we have clean port-a-potties. Bring hand sanitizer for your group use.

**Safety** – bring your own first aid kits as we do not administer or dispense any medications.

**Inclement Weather** – call before leaving if you think the weather might cause a cancellation. We will also stay in touch with you.
